

Class Choice

Please indicate your first and second choice of class times. If you are carpooling with another family indicate that on the line below, we will do our best to place children who car pool together in the same class. Please note that we need to have a certain amount of kids in each class to run the class. If we do not have enough we will contact you and go with a new plan.

Child's Name _____

Address _____

Phone Number _____ e-mail address _____

Parent's Name _____
